Dear Ms. Johnston:

Thank you for your letter of September 15, 1995 regarding your comments on the September 14 Workshop conducted by the CALFED Bay-Delta Program. Taking the time to relay your thoughts on this aspect of our program is truly appreciated.

Staff has reviewed your comments and suggestions on problems statements, objectives and mission statement, and they are part of our public comment record. I believe our revised description of the geographic scope of the program addresses your concerns on the issue of the comprehensiveness of the CALFED Bay-Delta Program.

Again, we appreciate your interest in the CALFED Bay-Delta Program and look forward to your continued involvement in this important effort.

Sincerely,

Lester A. Snow, Executive Director  
CALFED Bay-Delta Program
