

## Memorandum

Date: November 28, 1995

To: Program Coordination Team and Extended Review Team

From: Steve Yaeger, Program Deputy Director  
CALFED Bay-Delta Program

Subject: Review Materials for Program Coordination Team and Extended Review Team

It has come to our attention that a list of potential solution actions was inadvertently omitted from the review packet we delivered to you on December 6. This list is a necessary part of the materials that we are asking you to review in advance of the December 12th meeting of the PCT and Extended Review Team.

I apologize for any inconvenience our oversight may have caused.
