From: Lester A. Snow, Executive Director
CALFED Bay-Delta Program

Subject: Upcoming CALFED Meetings

As discussed at the most recent CALFED meeting of February 22, we will no longer hold full CALFED meetings consisting of an executive session and a public session every month. To discuss issues of concern to CALFED agencies and provide input to the CALFED Bay-Delta Program, monthly meetings of the management level of CALFED officials will be held.

The CALFED meeting (executive and public sessions) scheduled for March 26, from 1-5, is canceled. Instead, a CALFED management team will meet March 26, from 1 to 4, to discuss the progress report scheduled for release at the end of the month and a variety of other topics (see attached list of agenda items for review). We intend to use these meetings to provide overall conflict resolution and provide input on specific issues raised by the stakeholders, BDAC members, and agency staff.

Please mark your calenders accordingly for March and April:

CALFED Management Team: Tuesday, March 26, 1996, 1 p.m. to 4 p.m.
Room 1131, Resources Bldg.

CALFED: Friday, April 26, 1996
Executive Session - 8:30 a.m. to 10:30 a.m.
Public Session - 10:30 am to 12:30 pm
Room 1131, Resources Bldg.

Please note that the April meeting was rescheduled from April 30, and will be held in the morning instead of the afternoon.
