Dear ^{Stan} ~~Mr.~~ Sprague:

Thank you for your letter of October 20, 1995, with comments on the CALFED Bay-Delta Workshop of October 12, 1995. Taking the time to relay your thoughts on this aspect of our program is truly appreciated. We have already adopted many of your comments including further clarifications and re-writing of alternatives and statements; we also developed a glossary as you suggested.

Again, we appreciate your interest in the CALFED Bay-Delta Program and look forward to your continued involvement in this important effort. If you have any questions or comments, please contact us.

Sincerely,

Lester A. Snow, Executive Director
