Dear Mr. Smith:

Thank you for your letter of February 27, 1996 with comments on Workshop 5. Taking the time to relay your thoughts on this aspect of our Program is truly appreciated.

Staff has reviewed your comments and suggestions and they are part of our public comment record and they are being considered as we continue forward in our process.

Your comment about the need for conservation is well taken. Conservation is a major portion of the core actions under Reduction in Export Reliance. The core actions are now a part of all the alternatives. We also appreciate your comment emphasizing the need for a successful completion of the CALFED Bay-Delta Program.

Again, we appreciate your interest in the CALFED Bay-Delta Program and look forward to your continued involvement in this important effort. If you have any questions or comments, please contact us.

Sincerely,

Lester A. Snow
Executive Director
