Steve Hall, Executive Director
Association of California Water Agencies
901 K Street, Suite 250
Sacramento, California 95814

Dear Steve:

Provisions for SB 900

Attached is a second draft of the consolidated provisions for SB 900 combining CALFED core actions with essential elements. Cost estimates for capital, O & M, and annual costs have been incorporated into the discussion.

Please consider this a "progress draft" as we will continue to refine the language and the cost estimates over the next few days.

Sincerely,

Steve Yaeger 
Program Deputy Director
