Subject: Revised Core Actions

Dear Mr. <sup>Steve</sup> Hall:

Attached is a copy of Core Action Cost Estimates. The only change from the May 23 version is that we have revised upward by \$2 million the State cost share of CVPIA. This revision brings our total cost share in line with DWR's proposal though we still differ on one of the sub-elements (we have chosen not to fund refuge water as DWR did, and instead we propose to fund screening of in-Delta diversions).

If you have any questions please give me a call at 657-2666.

Sincerely,

Steve Yaeger  
Program Deputy Director
