Newport Beach, CA 92660

Dear Mr. Maddock:

Some time back you asked for the names of the biologists who are helping me prepare the Ecosystem Restoration Program Plan. The people listed below are the principal contributors. Dozens of agency and stakeholder biologists have contributed information and comments to me directly or to the principals.

Terry Mills - CALFED is the day-to-day manager of Volumes I (resource visions) and Volume II (ecozone visions).

Frank Wernette - Department of Fish and Game; Tom Cannon - Jones & Stokes Associates (JSA); Steve Chaney - JSA; Pete Rawlings - JSA, and Alice Lowe - CH₂MHill are providing support.

Bellory Fong - CALFED is the day-to-day manager for Volume III (implementation).

Bruce Herbold - EPA is preparing the indicators section of Volume III.

Leo Winternitz - Department of Water Resources is preparing the focused research section of Volume III.

Pat Coulston - Department of Fish and Game is preparing the monitoring section of Volume III.

Kate Hansel - CALFED is working with Bellory Fong to prepare the phasing section of Volume III.

CALFED Agencies

California

The Resources Agency
Department of Fish and Game
Department of Water Resources
California Environmental Protection Agency
State Water Resources Control Board

Federal

Environmental Protection Agency
Department of the Interior
Fish and Wildlife Service
Bureau of Reclamation
Department of Commerce
National Marine Fisheries Service

Rick Soehren and Sharon Gross - CALFED are providing overall review as their time permits.

I hope this addresses your interest. If not, please allow me to further elaborate.

Sincerely,

A handwritten signature in black ink, appearing to read "Dick Daniel", with a large, stylized circular flourish at the end.

Dick Daniel
Assistant Director
