Mr. Bob Bosworth, Chairman
Upper Sacramento River Advisory Council
2440 Main Street
Red Bluff, CA 96080

Dear Mr. Bosworth:

We very much appreciate your comments on our Sacramento River Ecological Zone draft. We were able to incorporate virtually all of your suggestions into our revised Volume II. That volume will be available for public comment about August 1, 1997.

We found your comments to be very professional and constructive. We hope you will find the time to review the drafts of the Ecosystem Restoration Program Plan this summer.

Sincerely,

Lester A. Snow
Executive Director
