Dear Marcia:

I want to personally thank you for your contribution to the CALFED Bay-Delta Program by your membership on the Bay-Delta Advisory Council. The knowledge and expertise you brought to the process is invaluable and you will be missed.

Although you have not been a member for long, you helped to shape the progress that we have made so far and I am sure that it was a hard decision for you to make to leave BDAC at this time.

I hope that you will remain engaged with the Program and continue to give me the benefit of your views.

Sincerely,

Lester A. Snow  
Executive Director
