Dear Harry:

On behalf of the Bay-Delta Advisory Council (BDAC) and BDAC Vice Chair Sunne McPeak, I want to thank you for your kind offering of time and expertise in putting together an excellent tour of Iron Mountain Mine on Friday, May 15. The seven BDAC members who attended the tour now have a much greater understanding of the challenges in crafting a CALFED Program which takes into account both fisheries restoration and essential water quality improvements on the Sacramento River.

Your courtesy was very much appreciated.

Sincerely,

Mary Selkirk
