The Honorable George P. Radanovich
United States House of Representatives
Cannon House Office Building, Rm 213

Dear Representative Radanovich:

On behalf of CALFED Bay-Delta Program and the Bay-Delta Advisory Council (BDAC), I wish to thank Deborah Haney for addressing BDAC at its meeting in Fresno on Thursday, June 18, 1998.

Your thoughtful comments helped us achieve one of the goals of the meeting, which was to obtain a better understanding of the concerns San Joaquin valley interests have regarding the CALFED Program and to continue identifying ways to address those concerns. Hearing from elected officials, and their staffs is important to ensure we have a clear understanding of issues which need to be addressed as we develop the Program and select the preferred CALFED alternative.

As we refine the Program we will carefully consider your comments and suggestions. We look forward to your continued participation in the CALFED process. I invite you to contact us with your further insights or questions.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council
