The Honorable Barbara Lee
Member of Congress
2108 Rayburn House Office Building
Washington, DC 20515

Dear Representative Lee:

Thank you for your letter of January 27, 1999, regarding our public meeting in San Jose on January 12, 1999. I regret that you were not able to attend. We will certainly notify your office of upcoming public hearings. Our current plans call for a round of public hearings in summer or early autumn 1999 on our revised draft programmatic environmental impact statement/environmental impact report. We expect to release this revised draft PEIS/EIR in late June of this year.

Thank you again and we hope to see you at a future event. Please call me at (916) 657-2666 if you have questions concerning the CALFED Bay-Delta Program.

Sincerely,

Lester A. Snow
Executive Director
