Dede Alpert
State Capitol, Room 5114
Sacramento, CA 95814

Dear Senator Alpert:

On behalf of the Bay-Delta Advisory Council (BDAC), I want to invite you to the next meeting of BDAC which will be held in San Diego on Friday, July 9 at the Town & Country Hotel and Convention Center. You may be aware that an important part of the CALFED Bay-Delta Program is stakeholder participation and advice to the CALFED agencies. BDAC, a federally-chartered advisory committee, provides a formal opportunity for interested parties to provide that advice. Your insights into Southern California issues will help further BDAC's understanding of these issues.

You are welcome to observe the proceedings; a draft agenda for the meeting is enclosed with this letter. We have tentatively set time aside during the Chair's Report Friday, at the beginning of the meeting and right after lunch for you to address BDAC, if you wish. So that we may firm up the agenda, we ask that you respond to Laura Boosalis at (916) 657-2666 by Wednesday, July 7, 1999 to advise us of your availability for the meeting.

I hope you will be able to join us.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council

June 29, 1999

Ray Haynes
State Capitol, Room 2187
Sacramento, CA 95814

Dear Senator Haynes:

On behalf of the Bay-Delta Advisory Council (BDAC), I want to invite you to the next meeting of BDAC which will be held in San Diego on Friday, July 9 at the Town & Country Hotel and Convention Center. You may be aware that an important part of the CALFED Bay-Delta Program is stakeholder participation and advice to the CALFED agencies. BDAC, a federally-chartered advisory committee, provides a formal opportunity for interested parties to provide that advice. Your insights into Southern California issues will help further BDAC's understanding of these issues.

You are welcome to observe the proceedings; a draft agenda for the meeting is enclosed with this letter. We have tentatively set time aside during the Chair's Report Friday, at the beginning of the meeting and right after lunch for you to address BDAC, if you wish. So that we may firm up the agenda, we ask that you respond to Laura Boosalis at (916) 657-2666 by Wednesday, July 7, 1999 to advise us of your availability for the meeting.

I hope you will be able to join us.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council

Enclosure

CALFED Agencies

California The Resources Agency
Department of Fish and Game
Department of Water Resources
California Environmental Protection Agency
State Water Resources Control Board
