Dear Tedi:

Thank you very much for coordinating the tour to the North City Water Reclamation Plant on July 8 in San Diego and especially, for lining up the speakers.

The afternoon was very well organized. It was a good opportunity to inform the Bay-Delta Advisory Council members, CALFED staff and Policy Group representatives on water reclamation and recycling methods and issues in San Diego and Orange counties. The event also served as a good introduction for discussion of the agenda items at the BDAC meeting on July 9.

I appreciated your efforts to ensure the presentations by Dave Schlesinger, Larry Gardner, Deborah Van Wanseele, Eric Larson, Dennis Bostad and Mark Norton were very informative. It was a pleasure to work with you and the Authority.

Sincerely,

Eugenia Laychak
BDAC Coordinator
