Dear Mr. Kimura:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for addressing BDAC at its meeting in San Diego on July 9, 1999.

Your thoughtful and informative comments helped us achieve one of the goals of the meeting, which was to obtain a better understanding of the water management issues facing San Diego county and other portions of southern California. Hearing from stakeholders, such as yourself, and others who do not normally attend CALFED meetings is important to ensure we have a clear understanding of issues which need to be addressed as we develop the Program and select the preferred CALFED alternative.

As we refine the Program we will carefully consider your comments and suggestions.

Sincerely,

Mike Madigan
Bay-Delta Advisory Council Chair
