Honorable Dick Dickerson

Redding, CA 96002

Dear Mr. Dickerson:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for attending the BDAC meeting on September 17 in Red Bluff. It was also a pleasure to see you at the RCRC sponsored reception on September 16.

I want you to know that your comments helped BDAC members gain a better understanding of Northern California water issues. Hearing from you and other elected officials is important to ensure we have a clear understanding of issues to be addressed as we help develop the Program and begin implementation. BDAC looks forward to working with you on CALFED watershed and governance issues, in particular.

As we develop our recommendation to the CALFED Policy Group on the CALFED solution we will carefully consider your comments and suggestions.

Sincerely,

Mike Madigan
Bay-Delta Advisory Council
