Dear Supervisor Meacher:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for hosting the BDAC meeting in Red Bluff on September 16 and 17, 1999.

I also appreciate your efforts as Co-Chair of the Watershed Work Group and the progress the work group has made in developing the Watershed Program. At the meeting, your thoughtful and informative update on the Work Group activities, in addition to your comments helped us achieve one of the goals of the meeting, which was to obtain a better understanding of watershed issues in California.

In addition, the tour of Battle Creek was a great opportunity to inform BDAC members, CALFED staff, Policy Group representatives and others on restoration of Battle Creek and its contribution to addressing Bay-Delta watershed issues. It also served as a good introduction for discussion of the agenda items at the meeting on the following day.

We appreciate your individual efforts to ensure BDAC members had an enjoyable and memorable experience in Red Bluff. I look forward to seeing you at the next BDAC meeting.

Sincerely,

Mike Madigan
BDAC Chair
