Dear Mr. Elizondo:

In accordance with your request, please find attached a draft map entitled "California Tribal Lands and CALFED Study Area." The primary sources for tribal information are the U. S. Bureau of Reclamation and Bureau of Indian Affairs. Though this map has most of the California tribal lands and public domain allotments, we believe a few locations are missing. We are working with USBR and BIA to update this information.

Thank you for your interest in the CALFED Bay-Delta Program. Please contact me at (916) 653-9499 if you have questions or comments.

Sincerely,

Ray McDowell
GIS Coordinator
