Governor Gray Davis  
State Capitol  
Sacramento, CA 95814

Dear Governor Davis:

I am writing to urge you to support the CALFED Bay/Delta program. I am very concerned with the population growth in California and how our water will be effected. By ensuring the CALFED program you will be investing in water efficiency; restoring our rivers, bays and fisheries; improving water quality; and stopping taxpayers from picking up the tab.

Your consideration in this matter is appreciated.

Sincerely,

Sharon M. McNally
