Dear Tom:

I am writing on behalf of the Sierra Club to lend my support for the following causes:

Invest in water efficiency for at least seven years before considering new dams or reservoirs.

Restore our rivers, bays and fisheries.

Improve water quality for people and wildlife by enforcing pollution limits.

Stop making taxpayers pick up the tab for studies of new dams and reservoirs.

Protect the watersheds from logging that erodes the hillsides.

I hope you will do your best to meet these goals!

Sincerely,

Dan Hart
Sierra Club Member
