Dear Mr. Jaraczski:

Thank you for your letter of December 8, 1995, commenting on the Draft Actions included in our workshop material of December 4.

As you can imagine, the Actions are undergoing constant refinement as part of the alternatives building process. Your comments have been passed on to the Program and consultant teams working on the specific alternatives. Your detailed comments on the Draft Actions will be very useful to us as we draft the specific actions to be considered as part of the Alternatives package.

Thank you for your continued interest in the CALFED Bay Delta Program.

Sincerely,

Lester A. Snow, Executive Director
CALFED Bay-Delta Program
