Mr. Lester Snow, Executive Director
CALFED Bay-Delta Program
1416 9th Street, Suite 1155
Sacramento, CA 95814

Dear Mr. Snow:

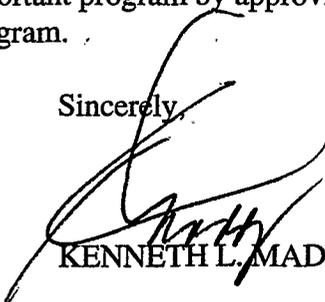

I urge you to approve the \$5 million dollar request for funding for the San Joaquin River Land Acquisition Program submitted under Category III of the CALFED Bay-Delta Program.

This vital ecological program would significantly increase recreational opportunities for residents of Fresno and Madera Counties, protect habitat for several wildlife populations, and provide flood management benefits within the San Joaquin River Parkway.

This proposal enjoys strong local support including the Friant Water Users Authority and the San Joaquin River Parkway and conservation Trust.

Please join me in supporting this extremely important program by approving full funding for the San Joaquin River Land Acquisition Program.

Sincerely,

KENNETH L. MADDY
