Dear Alex:

I want to send you an overdue thank you for your comment letter of May 6, 1998 in which you pointed out a number of ambiguities and inconsistencies in an earlier version of the draft Water Transfers Policy framework. As you know, over the past three months, CALFED staff have made several revisions to the draft policy framework, some of which directly address the concerns you raised in your letter.

I appreciate your continued participation in the BDAC Water Transfer Work Group.

Sincerely,

Lester A. Snow
Executive Director
