Mr. Lester Snow, Executive Director  
CALFED Bay-Delta Program  
1416 Ninth Street, Suite 1155  
Sacramento, CA 95814

Dear Director Snow:

I am requesting additional information from your agency. Please provide this committee with a listing of the programs/projects submitted to CALFED for consideration during the Fiscal Year 98 and Fiscal Year 99. Please include those programs or projects which were submitted in response to the Proposal Solicitation Package circulated by CALFED.

Additionally, please provide a list of programs or projects that were approved by CALFED for Category III and Prop. 204 funds. Please indicate which programs or projects have received disbursement and which are still awaiting funding in order to proceed.

Furthermore, please detail how these approved and pending programs/projects accomplish the short-term or long-term CALFED ecosystem restoration program objectives and goals.

Thank you in advance for your cooperation and your immediate attention to this request is appreciated.

Sincerely,

K. MAURICE JOHANNESSEN  
Chairman
