Mr. Lester Snow
Executive Director
CALFED Bay-Delta Program
1416 - 9th Street, Suite 1155

Dear Mr. Snow:

Conservation is the real solution to our Bay Delta programs

Please implement measures which do not include more canals, storage reservoirs, dredging or water diversion. Instead, stop making taxpayers foot so much of the water bill for large corporate farms.

I support a solution that promotes water saving programs on our farms and in cities. The only sustainable way to replenish the Bay and Delta is to use less water!

Sincerely,

Bernice K. Lawry
