Mr. Lester Snow, Executive Director  
CALFED Bay-Delta Program

Dear Mr. Snow:

Conservation is the real solution to our Bay Delta problems. Please implement measures which do not include more canals, dams, dredging, or water diversion. Instead stop making taxpayers responsible for shouldering so much of the water bill for large corporate farms. I support a solution that promotes water saving programs on our farms and in our cities. The only sustainable way to replenish the Bay and Delta is to use less water.

Sincerely,

Denise Mason
