Mr. Lester Snow  
Executive Director  
CALFED Bay-Delta Program  
1416 Ninth Street, Suite 1155  
Sacramento, CA 95814

Dear Mr. Snow:

*Via Facsimile*

Your letter of September 16, 1999, was an interim and incomplete response to my August 26, 1999, letter regarding the proposed pilot screened diversion at Hood. You stated in your letter that you would "soon" forward more detailed responses to my questions.

Despite repeated inquiries by my staff and assurances from your office that the responses will be sent "soon" or "in a few days" or "by the end of the week," and the like, I still have received no response to my questions.

I ask that you immediately respond to this letter in writing via return facsimile, advising me when I might expect to receive answers to my questions. Please fax your letter to me directly at 202-225-5609.

Please also fax the letter to my staff:

John Lawrence 202-225-1931  
Steve Lanich 202-225-4273

Sincerely,

*George Miller*
