### Memorandum

Date: January 13, 2000

To: CALFED Policy Group

From: Steven R. Ritchie  
Acting Executive Director

Subject: ~~Review of 2<sup>nd</sup> Agency Administrative Draft - Response to Comments Document for the~~  
CALFED Programmatic EIS/EIR

Enclosed for your review and comment is the second Agency Administrative Draft - Response to Comments Document (RTC) for the CALFED Programmatic EIS/EIR.

~~The comment deadline for the RTC is January 28, 2000.~~ Comments should be sent to the attention of Campbell Ingram, 1416 Ninth Street, Room 252-35, Sacramento, CA 95814, or cingram@water.ca.gov. It is critical that we receive your agency's comments by this date in order for us to meet the schedule for the release of the final EIS/EIR in April 2000.

The 2<sup>nd</sup> Administrative Draft RTC contains responses that were completed as of January 10, 2000 and represents approximately 95% of all expected responses. Several agency comments requested that various responses be consolidated. Ongoing efforts to ensure consistency throughout the document will continue up to the final print deadline. We intend to consolidate responses when all responses have been developed. Any comments not answered in this draft will be included in the final document. We believe that the majority of the remaining comments will be answered by already existing responses.

Please refer to the attached section entitled Organization and Review of the RTC for more information on the organization of the RTC and information on how to best review the document.
