The Reclamation Board has recently become a member of the CALFED Management Group. We appreciate the acknowledgment this membership demonstrates regarding public safety and flooding issues throughout the Central Valley. We firmly believe our membership will improve the coordination of our public safety activities with those of CALFED.

To further acknowledge the State role of the Board and further improve the coordination of our public safety activities with those of CALFED throughout the Central Valley, we respectfully request that the Board become a member of the Policy Group. If you have any questions, please have your staff contact Peter Rabbon, General Manager of the Board, at (916) 653-5434.

Sincerely,

Barbara LeVake
President
