The Honorable Scott Wildman
Chair, Joint Legislative Audit Committee
State Capitol, Room 3019
Sacramento, CA 95814

2000-101

Chairman Wildman:

I would like to request that the Joint Legislative Audit Committee authorize an audit of the state agencies under the umbrella of CALFED specifically their acquisition of land within the CALFED process, and also independently from CALFED, for wildlife habitat and ecosystem restoration statewide since CALFED was formed in 1994,

Many citizens are concerned that an excessive amount of land in California is being acquired for the purposes of habitat restoration and wetland/ecosystem restoration without any seeming centralization or organized method or goal by the separate state agencies that are a part of the CALFED process.

I understand that you receive several requests for audits, and I appreciate your consideration of this request as it impacts Californians statewide. Thank you.

Sincerely,

DICK DICKERSON
