

Comment Number	Page Number	Section, Figure, or Table No.	Commentor	Comment	
1	35 of 605	Long-term levee protection plan	Littrell	Delta Flood Protection Plan did not start in 90-91. SB 1065 was enacted that year which specified funding. The program effectively started in July, 1987 by SB 34 (1988).	
2	44 of 605	same	Littrell	Same error	
3	81 of 605	same, Table 1	Littrell	Information on SB 34 and SB 1065 correct here	
4	37 of 605	same	Littrell	All levees other than project levees could be considered non-project. However, levees built as part of the two deep water channels are referred to as "Direct Agreement Levees," and could be considered a third kind.	
5	474 of 524	ERPP vol 1	Littrell	The Delta Flood Protection Program is AB 360, not 369. We produce habitat assessments, not habitat assistance
