

Delta Vision Blue Ribbon Task Force Meeting

John Kirlin
West Sacramento
June 26-27, 2008

Context

- TF recommendation to Governor re Sea Level Rise directive still pending
- Three work shops in Delta earlier this week – all Delta initiatives
- Other processes:
 - PPIC work not yet released
 - SWRCB draft strategic work plan released (Agenda item 2, attachment 1)
 - BDCP ongoing with steering committee and work groups
 - EIR preparations underway

Administrative matters

- Meeting today and tomorrow lengthened to accommodate full agenda; likely to require further changes in future meetings
- Planning for facilitated regional sessions on draft strategic plan beginning – to be held in August – will be asking TF members to participate

Two action items for Friday

- Task Force recommendation on conveyance and storage (draft recommendation in bucket, Agenda item 2)
- Receive first staff draft strategic plan and provide direction to staff (Agenda item 4)

Thursday agenda

- Legal and legislative
- Overview of staff draft strategic plan
- Panel of work group leads
- Report on water supply risks
- Discussion of conveyance recommendation
- Public comment

Friday agenda

- Opening and overview
- Panel of elected officials from DPC
- Panel of stakeholders
- Discussion and action on conveyance and storage recommendation
- Discussion and action on first staff draft strategic plan
- Public comment
