

**CALFED Brown Bag Seminars  
Lead Scientist Michael Healey Presents:**

*The Hitchhikers Guide to Adaptive Management*

**November 14, 2007**

**Noon - 1:00 pm**

**CALFED Bay-Delta Program**

**650 Capitol Mall, 5th Floor, Sacramento, CA 95814**

**DON'T PANIC!**

A Trilogy in four, five, maybe six parts, that addresses the universal conundrum:

The CALFED Record of Decision prescribes that, *“During implementation, the Program will incorporate ... as a central feature, science-based adaptive management.”*

Yet...

As Steven Light commented regarding adaptive management use in Glen Canyon, *“Despite many years of theoretical and methodological advances, adaptive management still remains an enigma to practitioners.”*

In this illustrative lecture, CALFED Lead Scientist Michael Healey will explore life, the universe, and adaptive management. He will guide and dispel any *“salmon of doubt”* that may remain about what it is, what it does and why it doesn't come with a towel.

If you need reasonable accommodation due to a disability, please contact Colleen Kirtlan, CALFED Bay-Delta Program at (916) 445-5511, TDD (800) 735-2929. Please allow extra time for parking and federal building security screening procedures. Current photo identification is required for building access. Visitors may bring cameras and cell phones with camera capability into the building ONLY with the prior approval of the CALFED Bay-Delta Program and the Federal Protective Service, and their use in the building will be subject to federal restrictions. Please contact Terry Smith, Security Coordinator for the CALFED Bay-Delta Program, cell (916) 716-1904, office (916) 445-5345 or [tsmith@calwater.ca.gov](mailto:tsmith@calwater.ca.gov) for building access information and camera guidelines.
