Subject: October 9, 2003 Meeting

The next meeting of the California Bay-Delta Authority will be held Thursday, October 9, 2003, in Room 4202 of the Capitol Building in Sacramento, California. In the event that the room is in use by the Legislature, the meeting will be moved to the Central Valley Auditorium of the Cal/EPA building at 1001 I Street, Sacramento, California.

I have attached the agenda and meeting materials. Among the expected outcomes of the meeting are:

- Adoption of the Drinking Water Policy Framework recommendation by the Bay-Delta Public Advisory Committee.
- Review State, Federal, and Regional Water Planning Efforts.
- Review Year 3 Accomplishments, CBDA Agency staff and budget, Stage 1 Funding (Years 1-3 and 4-6), and the Long-Term Finance Plan.
- Direct the Authority staff to work with State, Federal, and local agencies to develop regional water profiles, develop a Long-Term Finance Plan, and to reevaluate the targets and budgets necessary to meet Program goals specified in the Record of Decision.

I look forward to seeing you at the meeting. If you have any questions, please contact Heidi Rooks at (916) 445-0533.
