

Agenda Item 7
**Surface Storage
Investigations Status
Report**

A light blue abstract graphic consisting of several overlapping, curved, ribbon-like shapes that create a sense of depth and movement. The shapes are layered, with some appearing to be in front of others, and they generally trend from the top-left towards the bottom-right of the page.

Surface Storage Progress Report Briefing

Bay-Delta Public Advisory Committee

March 11, 2004

Purpose of Progress Report

- Report includes current information on planning activities, major findings, challenges, budgets and schedules
- Help potential project partners assess their interest in surface storage projects
- Help agencies in decisions regarding investment in additional planning

Outline

- Overview of Projects
- Major Findings
- Challenges
 - Project Specific
 - Overarching

CALFED ROD Surface Storage Objectives

- Part of CALFED Water Management Strategy
- Contribute to overall CALFED objectives
- Provides system flexibility
