

## CALFED Brown Bag Seminar Series Presents

# The Discover the Delta Foundation

Ken Scheidegger, Board President

July 8 – 12 noon to 1 p.m.

CALFED Bay-Delta Program -- Delta Room

650 Capitol Mall – 5<sup>th</sup> Floor

The Discover the Delta Foundation is a non-profit organization formed two years ago to raise funds to install signage at “gateways” to the Delta and to build the Delta Information and Visitor Center at the intersection of highways 12 and 160. Ken Scheidegger, president of the Foundation Board of Directors, will present an overview of the Foundation’s mission and program. The Delta Information and Visitor Center will have both permanent and short-term displays about the natural history and resources of the Delta, with a timeline of human history of the Delta highlighted by key actions and inventions that changed the Delta landscape, creating the Delta as we now know it. The Center will provide information for the general public, families, and groups. The Foundation will serve as a central clearinghouse for information about where the public can see and experience the Delta, including wineries, fishing access, restaurants, boat ramps, parks, museums and other facilities in the region. The Foundation has invited state agencies represented on the Delta Protection Commission, including the CALFED Bay-Delta Program, to participate in the permanent displays in the Center.

### **An educational series dedicated to ideas for California’s Delta**

Please allow extra time for parking and security screening procedures at 650 Capitol Mall. Current photo identification is required. Cameras and cell phones with camera capability are prohibited without prior written review and approval from CALFED, Federal Protective Service and GSA Property Management for 650 Capitol Mall building. Please contact Terry Smith at the CALFED Bay-Delta Program at (916) 445-5345 or [tsmith@calwater.ca.gov](mailto:tsmith@calwater.ca.gov) for building access information.
